

Town of Renfrew
Class Environmental Assessment
Highway 60 (O'Brien Road) Corridor Review
From Highway 17 to east of Raglan Street South
Notice of Completion

The Town of Renfrew is proposing to proceed with roadway restoration and operational modifications on the Highway 60 corridor between Highway 17 and east of Raglan Street South. Work will include traffic lane reconfiguration, intersection modifications, road structure restoration, drainage alterations, roadway geometric changes, re-grading and sidewalks. These works are planned to be completed as funding permits, at an estimated cost of \$3,400,000.

The project is being planned under **Schedule B** of the **Municipal Class Environmental Assessment**. Subject to comments received as a result of this Notice, and the receipt of necessary approvals, the Town of Renfrew intends to proceed with the design and construction of this project.

Project plans and other information regarding the details of this project, are available at the following location:

Development and Works Department
Town of Renfrew
127 Raglan Street South
Renfrew Ontario, K7V 1P8
Mon-Fri: 9:00 am – 4:00 pm
Telephone: 613-432-8166.

Interested persons should provide written comment to the municipality on the proposal within 30 calendar days from the date of this Notice. Comment should be directed to the Director Development and Works, at the Town of Renfrew.

If concerns arise regarding this project, which cannot be resolved in discussion with the municipality, a person or party may request that the

Minister of the Environment make an order for the project to comply with Part II of the Environmental Assessment Act (referred to as a Part II Order), which addresses individual environmental assessments. Requests must be received by the Minister at the address below within 30 calendar days of this Notice. A copy of the request must also be sent to the Director Development and Works, Town of Renfrew. If there is no “request” received within 30 calendar days of the date of issue of this publication, the roadway restoration and modifications will proceed to design and construction as presented in the planning documentation.
