

Dear Renfrew Business Owner, Stakeholder, Resident:

Beginning in June 2017, the Town of Renfrew has commenced the design for Highway 60 - Downtown Reconstruction.

### **Project Description**

The existing street infrastructure has reached the end of its life-cycle, and the Town has identified the need for reconstruction. Main Street will be renewed as a “complete street” featuring wider sidewalks, on-street parking, and enhanced streetscaping.

The construction work will renew infrastructure in your neighborhood. Specifically, the works proposed include the introduction, rehabilitation and/or replacement of:

- Watermains and sanitary sewers;
- Lateral services to the property line/buildings;
- Road structure and pavement;
- Sidewalks;
- Traffic control signal system, pedestrian crossings;
- Street amenities including landscaping;
- Utility reconstruction as required; and
- Street lighting and signage as funds permit.

### **Project Result and Timing**

This major road work is planned to begin in the spring of 2018 and final completion is anticipated for fall of 2018.

### **Funding**

The Project is being completed with financial contributions from the Ministry of Transportation’s 2017-18 Connecting Links Program and the Town of Renfrew.

### **Public Involvement**

The first Public Information Session will be held on:

Date: Wednesday, September 20, 2017  
Presentation: 6:00 p.m.  
Open House: 7:00 p.m. to 9:00 p.m.  
Location: Renfrew Town Hall - Council Chambers,  
127 Raglan Street South, Renfrew, Ontario, K7V 1P8

The purpose of this Public Open House is to present the preliminary plans for street reconstruction. This includes:

- The preliminary detailed designs.

Future sessions will be held to expand upon:

- Construction phasing and timing;
- Traffic management plans, including detours;
- Interim pedestrian routes; and
- Stakeholder communications.

Representatives from the Town of Renfrew and Jp2g Consultants Inc. will be available to discuss the project, answer questions and receive comments.

### **Future Notices**

The Town encourages you to register to receive e-mail communications regarding information and updates pertaining to this construction project as future notices will be provided by email. To sign up to obtain notices, please visit the Town of Renfrew Website at [www.renfrew.ca](http://www.renfrew.ca).

### Environmental Assessment

The project is being planned to meet the requirements of Schedule “A+” of the Ontario’s Municipal Class Environmental Assessment (EA).
