

**TOWN OF RENFREW  
WATER, WASTEWATER &  
STORMWATER MASTER  
SERVICING PLAN UPDATE  
NOTICE OF PUBLIC  
CONSULTATION**

**THE TOWN OF RENFREW** is finalizing a Master Servicing Plan for the Town's potable water distribution, sanitary sewage collection and stormwater collection systems and is seeking input from stakeholders and residents. The Master Servicing Plan identifies infrastructure requirements to address current deficiencies and support future development and growth in the Town.

This project was prepared as a Master Plan following Phases 1 and 2 of a Municipal Class Environmental Assessment. The purpose of this Notice is to inform stakeholders and residents of the Master Servicing Plan report and to give an opportunity to the stakeholders and residents to review the document and provide feedback. Feedback received by the Town will be considered and incorporated into a revised Final report as necessary.

To facilitate the public consultation process, the Town is making the Master Servicing Plan report available at the following locations:

- 1) Town Hall, 127 Raglan Street South, Renfrew, ON, K7V 1P8
- 2) Town Website at: <http://www.renfrew.ca>

Furthermore, inquiries can be submitted prior to November 14, 2017 in writing by mail, fax or email to:

Lane Cleroux
